

FEES FROM 1ST NOVEMBER 2023

Dear Patients,

From the 1st of November 2023 the government is increasing the Medicare rebate this means there will be a slight increase in our fees.

However, our GAP fee will remain at \$40 for private patients and \$20 for concession patients.

We will continue to Bulk-Bill the following services if you have a valid Medicare card:

- Care plans for chronic disease management (for eligible patients)
- Health assessments (for eligible patients)
- Immunisations as per the National Immunisation Schedule
- COVID-19 vaccination
