

Tobacco and vape products

**All tobacco and vape products are illegal for purchase and use by minors under 18.
The sale of disposable vapes/e-cigarettes and nicotine pouches is illegal in Australia. Re-fill-
able vapes/e-cigarettes can only be sold by pharmacies..
No nicotine product is safe for your health to use in any capacity**

Cigarettes/Tobacco

- Well known tobacco product
- Easily recognisable
- Not as popular as vapes

Nicotine Pouches

- Pouches are parked between the gum and cheek
- Hard to recognise, looks like gum

Vapes/ E-cigarettes

- Easy to recognise
- Easy to hide
- Thousands of different flavours
- Some are disposable whilst others can be refilled and re-used
- Refillable vapes can be purchased from Pharmacies with a doctors prescription.

Talk to your GP or Pharmacist for further advice or call Quitline on the number above.
