Neurodiversity Assessment Service

Cancellation and Non-Attendance Policy

Grand Pacific Health is committed to providing excellent health care to our consumers. Our Cancellation and Non-Attendance Policy better enables us to provide high-quality services to all consumers accessing our Neurodiversity Assessment Service.

Cancellation Policy

If you wish to cancel your scheduled appointment, please provide at least 72 hours' notice prior to your appointment time. Providing 72 hours' notice allows us to offer your appointment to another consumer who may need to see a clinician urgently. Except in extenuating circumstances, cancellation or changes to a scheduled appointment within the 72-hour notice period, where we are unable to fill the appointment time, will attract a cancellation **fee of \$25 for the initial brief phone consultation or \$100 for the pre-assessment consultation or assessment appointments.**

Late Attendance Policy

To help us run appointments smoothly and ensure every client receives their full session, we may apply our late attendance policy if you arrive **more than 20 minutes late.**

Our clinicians run fully booked schedules each day. Arriving late can impact the next client's appointment, and in most cases your session will need to be **rescheduled.**

We understand that unexpected delays may occur. If you are running late please contact the **Grand Pacific Health office** you are attending as soon as possible so we can support you.

At our discretion, a **\$100 late** fee may be charged and your appointment rescheduled.

Non-Attendance Policy

A Non-Attendance is when a consumer does not attend their scheduled appointment on time.

Except in extenuating circumstances, non-attendances will be charged a **fee of \$25 for brief consultation or \$100 for the pre-assessment consultation, assessment and feedback appointments.**

After a **3rd non- attendance, you will be charged the total cost of the appointment** (at the discretion of management). Once this fee is paid, you will then be able to book further appointments with us.

How to Cancel/Reschedule your appointment

If you are unable to attend your scheduled appointment, please contact your Grand Pacific Health office or by phoning **1800 929 101.**
